

# THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

## DECISION RECORD FORM

**REQUEST:**

To support the delivery of a number of Human Trafficking Training Sessions

**Title:**

Human Trafficking Training

**Executive Summary:**

In September 2014, Cleveland Police and Crime Commissioner hosted a regional awareness raising event in regards to Human Trafficking and Modern Day Slavery. The event was held as part of the North East Violence against Women and Girls Strategy and focussed on Human Trafficking from a local, national and international perspective. It became apparent from this event based on discussions throughout the day and feedback received from delegates that there was a lack of understanding around Human Trafficking and the role of first responders.

It was therefore agreed that a number of multi-agency training sessions would be scheduled, delivered by Hope for Justice, a national charity working to end all forms of Human Trafficking.

The following aims for the training sessions are identified below:

- Explaining what Human Trafficking is and the different types that exist
- Recognising the signs/indicators of the different types of trafficking
- Understanding relevant legislation
- Know how to respond appropriately to a victim in a case of Human Trafficking should they come across one

It was agreed that a wide range of agencies would be invited to attend including (but not limited to):

- Police
- Probation
- Youth Offending Teams
- Local Authority Safeguarding Teams
- Housing Associations
- NHS

**Decision:**

As per agreement at the Police and Crime Commissioners funding meeting on 24 April 2015, formally record the commitment to host nine Human Trafficking Training Sessions at a cost of £500 per session (£4,500 in total).
