THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST:

To fund a prison officer seconded to the Cleveland wide Integrated Offender Management Hub

Title:

Prison Officer secondment to the Single Integrated Offender Management Scheme

Executive Summary:

The Integrated Offender Management prison officer assists in providing a comprehensive picture in respect of an offender's risk factors and pathway needs which assists the team to support an offender, protect the public and reduce the risk of re-offending. This vital resource will enhance the team within the multi agency IOM Hub. This decision should be read in conjunction with decision ref: 02 – 2015. HMPS has agreed to deduct the cost of the building lease from the original hub proposal. HMPS funded two prison officer posts until June 2015, changes to HMPS funding arrangements has meant that HMPS are no longer able to continue funding these roles. One post has been funded by Middlesbrough Troubled Families and a request was made to the PCC to provide grant funding for the 2nd post.

Decision:

For the PCC to approve grant funding of £20,762 for a seconded prison officer for the period 1st September 2015 – 31st March 2016.

Decision Required – Supporting Information

Financial Implications: (Must include comments of the PCC's CFO where the decision has financial implications)

While the financial implications of this decision are affordable within the 2015/16 budget this is a short term solution to what is likely to be an on-going service need. There will be a need to prioritise the spend across commissioning services going forward in 2016/17 given the continuing reduction in funds available to the PCC.

Legal Implications: (Must include comments of the Monitoring Officer where the decision has legal implication)

The PCC may commission a service of this kind provided he is satisfied that it will secure or contribute to securing crime and disorder reduction under s143(1)(a) Anti-Social Behaviour, Crime & Policing Act 2014.
