

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST:

For PCC approval following agreement at the funding approvals meeting held on 11 July 2016.

Title:

Teesside University Students' Union - Crime Prevention Equipment

Executive Summary:

Approximately 3000 students live in rented accommodation in the vicinity of the University, in including Ayresome, Central, Newport, Linthorpe, Park and Gresham Wards. Students living in these areas are often living away from their family home for the first time. As such they are adjusting to living independently and are not always as aware of personal safety and security issues and actions they can take to reduce risks.

The Students' Union have applied to the Community Safety Fund to purchase security equipment to distribute to students. The Students' Union initially requested £6,321.00 for the equipment. Following the request a member of the Community Prevention Team met with the Students' Union to advise which products would be most suitable for the students resulting in the PCC Office ordering the equipment for £2,943.50 and delivering the the University.

The equipment that was purchased included bag hangers, personal safety alarms, bike locks and other covert equipment. The Security department at the University will be specially targeting students who have a bike and don't use a lock.

This request supports the PCC's priorities of working together to make Cleveland safer and a better deal for victims.

Decision:

To approve £2,943.50 spend from the Community Safety Initiatives Fund for Crime Prevention Equipment for Teesside University Students' Union to distribute to students.
