

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST: For approval
Title: The Kicks Programme
Executive Summary: <p>Middlesbrough Football Club Foundation launched Kick's in 2006. Kicks is much more than a football and sports development programme, a huge variety of sports, music, arts, and social personal development workshops are provided at projects by a range of delivery partners.</p> <p>The programme has significantly exceeded all of its growth targets. Last year Middlesbrough Football Club and their partners engaged over 400 young people, at 10 projects, located in 7 different wards within Middlesbrough. Each participant had been engaged for an average of over 60 hours and a total of 120 hours aggregate contact hours had been delivered.</p> <p>The MFC Foundation requested PCC funding to roll their programme out to another 3 other wards across Middlesbrough. Across the venues 3 hours of activities per week will be delivered. During the 3 hours the first hour will consist of a mini-kicks session aimed at 8-13 year olds and the two hours following this will consist of a kicks session aimed at 14-19 year olds. The programme benefits young people aged 8-19 within each of these wards as their provided with structured weekly activities which will benefit their own fitness, health and wellbeing as well as targeting key skills such as literacy and numeracy through the alternative curriculum. There is also an opportunity for the young people to receive an accreditation for football coaching.</p> <p>This decision was made on 21st July 2015 and following an audit this Decision Record Form has been drafted retrospectively for completeness.</p>
Decision: To agree £11,800 funding from the PCC Community Safety Initiatives Fund to enable MFC Foundation to deliver 9 hours of activities per week in addition to hours currently delivered across their other Kicks venues.
