Dear Mr Coppinger

We have over the years worked closely with many different police forces, making good professional links with Roads Policing Family Liaison officers. We have also provided free training to some of your staff.

We have always admired the very good work that your Roads Policing FLO's do, dealing with families in their worst moments, helping and guiding them through both the judicial and coronial systems. We understand that this work in its self is extremely stressful for the individual officers and this can in turn affect the very people that are helping others.

Following on from a conversation with one of your officers PC 1489 Neil Foster, we understand that there is a Health and Wellbeing weekend, which is run by the Police Treatment Centre at Auchterader. The centre facilitates a welfare weekend for serving Police FLO's.

To this aim, we would like to make a donation to support your staff.

This enclosed cheque, in the sum of £1500.00 is donated to Cleveland Police for the express purpose of providing a health and wellbeing course for Family Liaison Officers within the Roads Policing Unit at the Treatment Centre.

We understand that PC Foster will have to go through a bidding process to secure these funds to enable staff to attend this weekend course.

We hope that you will accept this donation, in recognition to the wonderful work that your staff perform on a daily basis.

If you need to discuss anything further, please feel free to contact me at the address below or via email : phil.king@irwinmitchell.com or 07425 620434
