

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST: For PCC approval following agreement by the Police and Crime Commissioner and supported by the Chief Finance Officer on 23 November 2016.

Title: Charity Wristbands

Executive Summary:
 Safe in Tees Valley (SITV) is a registered charity that creates and supports projects and services that tackle the causes and effects of community safety related issues.

SITV has requested funding for a service that provides vulnerable people living with dementia within Cleveland a wristband to wear. The wristband will have a unique ID which will relate to a record held on a secure electronic database and will provide the next of kin details for each individual. The database will be held by Cleveland Police’s Control Room and can be accessed by other emergency services on request.

The main aim is to ensure that people are safer by providing a quick and effective way to locate and trace the individual’s next of kin if they should be located. This will also reduce officers time spent locating missing/vulnerable people’s family. Funding provided would be used to purchase 1500 wristbands and for also advertising the service.

This initiative supports the PCCs priorities of Investing in our Police and Working Together to make Cleveland Safer.

Decision: To approve £1,000 spend from the Police Property Act Fund for Safe in Tees Valley to provide dementia wristbands to vulnerable people within Cleveland.
