Dear Barry

Cleveland Police and Crime Commissioner's Annual Report 2017/18

Further to Cleveland Police and Crime Panel's consideration of your Annual Report 2017/18, at its meeting held on 3 July 2018. Please see below, the relevant draft minute, from that meeting, which reflects the Panel's consideration of the report:

PCP 17/17 Annual Report of Cleveland Police and Crime Commissioner

Members considered a report that presented the Commissioner's 2017/18 Annual Report.

The Annual Report set out how the Commissioner had successfully delivered the commitments he had made in his Police and Crime Plan during the period 1 April 2017 to 31 March 2018.

It was the Commissioner's sixth year and he felt privileged that people had continued faith in him to ensure efficient and effective policing was delivered in Cleveland.

The Annual Report highlighted the 2017-2018 timeline that showed some of the key achievements the Commissioner had made in the last 12 months.

Further highlights in the Annual Report were:-

- 2017/18 in Numbers
- Your Force Your Voice
- Investing in Our Police
- Getting a Better Deal for Victims and Witnesses
- Tackling Re-Offending
- Working Together to Make Cleveland Safer
- Securing the Future of Our Communities
- Scrutiny and Governance
- Finance
- Budget Results 2017/18

Members felt that the report was easy to follow for the public. An observation was made that the photographs should better reflect the ethnic mix across Cleveland.

A question was asked about what percentage of the Police Budget in Cleveland was spent on Neighbourhood Policing. As the exact figures were not available it was agreed that a response would be prepared for the next meeting of the Panel.

RESOLVED that the Annual Report be noted.

Yours sincerely
