* Total resource funding consists of core grant funding, National and International Capital City (NICC) grants, Legacy Council Tax grants, Precept grant, Pensions grant and police precept. Allocations of individual grant streams are set out in tables 3 and 4. 2019/20 precept figures are calculated by assuming that PCCs in England and Wales increase their precept Band D level by £24, and Office for Budget Responsibility forecast tax base increases.

The overall annual increase in total police funding is up to £970m, which includes a £59m increase in counter-terrorism police funding (including firearms uplift), an £89m increase in funding for national priorities excluding firearms uplift (including £90m SOC funding), and £10m of pensions grant funding for counter-terrorism policing and the National Crime Agency. Figures may not sum due to rounding.
