Dear Fraser,

I refer to our discussions on 23 February 2018, as part of our ongoing process of review under the collaboration agreement in relation to our joint Chief Finance Officer provision.

We agreed that we would hold over the current arrangement until such time as the proposals for change in the governance arrangements for Fire & Rescue in North Yorkshire were determined. We would then tailor a further review process in the light of that determination.

The collaboration agreement makes provision for extension to be effected by way of side letter between us. With that in mind, I would be grateful if you would now confirm your agreement in writing to that general extension to the term of our collaboration whilst we undertake that further review.

I propose that we publish our exchange of correspondence alongside the collaboration agreements on our PCCs' websites.

Yours sincerely

Simon Dennis
Chief Executive and Monitoring Officer
