Values

Represent the
people of
Cleveland

Creativity and
Innovation

Ensuring value
for money

Openness and
Transparency

'Putting the pride back into Cleveland Police'

Overarching Outcomes

To build public confidence and put the pride back into Cleveland Police

To work collectively with partners to reduce crime, specifically serious violence

To make greater use of technology that creates efficiencies and supports productivity

To provide high quality services to victims and the most vulnerable that effectively meets their needs

Police and Crime Plan 10-point plan

'Putting the pride back into Cleveland Police'

1

More Police on our Streets

- Increase the number of Special Constables
- Gain support for a council tax reduction for Special Constables
- Bring Hartlepool Custody back into use
- Further embed Neighbourhood Policing
- Support the mental health and wellbeing of the Cleveland Police Workforce

2

Effective, Quality Support to Victims & Witnesses of Crime

- Introduce a new approach to supporting victims through service re-design and delivery
- Monitor adherence to the Victims Code of Practice
- Monitor the impact of COVID 19 on victim and witness services
- Increase the workforces awareness of specialist crime types including Hate Crime and Rural Crime
- Increase the provision of crime prevention support
- Host in collaboration with Teesside University a Business Summit focusing on cyber crime

3

Bringing Offenders to Justice

- Work with probation to support visible and worthwhile work in local communities
- Increase the use of Out of Court Disposals whilst enhancing the integrated offender management programme
- Strengthen Restorative Justice by exploring and building opportunities
- Support and monitor progress on the development of Integrated Offender Management to reduce re-offending
- Work with partners to create and deliver a Domestic Abuse Perpetrator Strategy
- Support tougher sentences for people who assault emergency workers

4

Getting Tough on Drugs & Gangs

- Support targeted operations such as Operation Endeavour
- Work with partners including Public Health to ensure a holistic approach to tackling drugs across the area
- Increase public understanding of County Lines and how to report intelligence
- Increase stop and search ensuring fairness and proportionality

5

Tackling Anti-social Behaviour Head-on

- Encourage and promote how communities can report ASB
- Commission diversionary services to prevent young people getting involved in anti-social behaviour
- Increase awareness and understanding of the Community Trigger process to ensure victims are getting the right service
- Seek opportunities to understand how ASB can be dealt with swiftly through early intervention

6

Prevent, Reduce & Tackle Serious Violence

- Continue to lobby government for additional funding for to establish a Violence Reduction Unit
- Invest funding in community based activities to prevent serious violence
- Launch a Serious Violence Strategy with support from Community Safety Partnership colleagues
- Ensure Police Officers are equipped to attend serious violence incidents

7 Use Technology to Combat Crime

- Create and develop an App to enable the public to make reports to Cleveland Police
- Maximise the use of Drone capability to tackle and disrupt Crime in Cleveland
- Make best use of technology to manage offenders including GPS and Sobriety Tagging
- Explore the use of DNA Tagging spray
- Bid for exploratory funding to trial facial recognition software

8

Building Confidence in Our Communities

- Launch a new open and transparent strategy that enables residents to engage directly with the OPCC
- Regularly seek public feedback to understand confidence in Cleveland Police
- Use robust scrutiny to hold the Chief Constable to account
- Ensure the force control room delivers a 1st class quality service for our residents

9

Tackling Violence Against Women & Girls

- Analyse survey to understand Women's and Girls feelings of safety
- Work with local partners to submit bids to the Home Office / Ministry of Justice Funding streams
- Work with PCC colleagues in Durham and Northumbria to commission a high-quality regional Sexual Assault Referral Centre (SARC) provision.
- Monitor the introduction and development of Cleveland-wide Independent Sexual Violence Advisor (ISVA) Service to ensure victims of sexual assault have effective support
- Oversee and support the Domestic Abuse Deep Dive review which aims to improve the response across Cleveland

Effective Policing & Criminal Justice System

- Monitor Cleveland Police progress against PEEL Report Causes of Concern
- Support the development of the new North East Probation Service and their regional reducing re-offending strategy
- Ensure victims of Domestic Abuse and Sexual Violence can give evidence to court remotely through the provision of IT infrastructure
- Work with the Local Justice System to ensure timely court process
