

## **Performance Analyst**

**Salary:** £28,530 - £33,348

**Hours:** 37 hours per week

**Contract Type:** Permanent

**Location:** Office of the Police and Crime Commissioner for Cleveland, Cleveland Police Central HQ, Hemlington, Middlesbrough (with flexibility for some home working)

If you love analysing complex data and want to help make Cleveland a safer place, you could be our new Performance Analyst!

You will develop, implement and maintain performance monitoring processes for the Police and Crime Commissioner's 10-Point Plan, to ensure it makes an impact on crime and community safety.

You will provide high-quality analytical support to PCC-led partnerships, such as the Cleveland Criminal Justice Board.

The successful candidate will have extensive experience in analytical techniques and comprehensive knowledge of software skills in spreadsheets and databases.

You will be confident in producing and presenting clear yet comprehensive reports explaining performance and making recommendations on findings.

Through your data analysis, the PCC and partners will be able to make better informed decisions in order to make Cleveland safer.

To arrange an informal discussion about the role, please contact Tracey Brittain, Policy, Partnerships and Delivery Manager, at [tracey.brittain@cleveland.police.uk](mailto:tracey.brittain@cleveland.police.uk)

**Application forms should be completed no later than 23:55 on the specified closing date.**

The Office of the Police and Crime Commissioner is committed to improving the diversity of the workforce to better reflect the communities we serve. We welcome applications from all minority groups and individuals who identify with one or more of the protected characteristics as defined by the Equality Act 2010. All appointments will be made on merit.
