Dear Norma

Precept Proposals for 2018/19

Further to your letter and accompanied report of the 6th February, in relation to my proposed precept for 2018/19. I would like to thank both you and the Members of the Police and Crime Panel for supporting my proposal for an increase, in the police element of the precept, of £12 on a Band D property to £226.54

Having received your report it is now my intention to proceed with the proposed increase and issue this as my precept for 2018/19. The issuing of this letter, in response to your report, concludes the scrutiny process for the 2018/19 precept and I will issue the precept under section 40 of the Local Government Finance Act 1992.

In line with the established process in previous years, I propose to publish this statutory exchange of correspondence on the PCC website in the normal manner.

Yours sincerely,

Barry Coppinger
Cleveland Police and Crime Commissioner
