Dear Nick,

It was good to meet with you on your visit to Cleveland on 26th July and discuss policing and community safety issues of various kinds as we toured the area. I know Chief Constable Iain Spittal welcomed the opportunity to meet and discuss also.

I've provided your office with copies of my latest Police & Crime Plan and annual report.

As indicated, I've also attached a briefing note which covers issues of funding, efficiencies and collaboration.

Also attached is the LCJB strategic plan. You will recall the appetite we have to take this further and the views from both Cleveland and Durham that further criminal justice reforms should be considered, including accountability of Community Rehabilitation Companies to PCCs.

If you have any questions or requirements for any further information please get in touch.

Yours sincerely

Barry Coppinger
