

# THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

## DECISION RECORD FORM

**REQUEST:**

To approve request for funding from Teesside University Students' Union

**Title:**

Teesside University Students' Union

**Executive Summary:**

Teesside University Students' Union have requested for funding to provide all students living in rented accommodation in the vicinity of the University in the INT1 area with 'ice cards' which will allow individuals to keep a record of essential contact information. The Student's Union also want to purchase 3000 property marking kits and 325 bag handers for the students. The students can you use the property marking kits to write there details on any valuable equipment they may have and the bag hangers can be used to hang a bag from a table rather than putting it on the floor, hopefully this will reduce bag thefts.

Approximately 3000 students live in rented accommodation in the surrounding area of the University (including Ayresome, Central, Newport, Linthorpe, Park and Gresham Wards). Students in this area are vulnerable to the risks of theft of personal property due to living in an unfamiliar area in unfamiliar properties, some with less than ideal security measures in place.
