THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST: For PCC approval following agreement at the funding meeting on 25 February 2016

Title:

Human Trafficking Training

Executive Summary:

In September 2014, Cleveland Police and Crime Commissioner hosted a regional awareness raising event in regards to Human Trafficking and Modern Day Slavery. The event was held as part of the North East Violence against Women and Girls Strategy and focussed on Human Trafficking from a local, national and international perspective. It became apparent from this event based on discussions throughout the day and feedback received from delegates that there was a lack of understanding around Human Trafficking and the role of first responders.

Between May – December 2015 nine Human Trafficking Training Sessions were delivered by Hope for Justice with over 400 attendees from a wide range of settings including Police, Local Authorities, CPS, Probation and Housing Associations etc.

To ensure that the right people have had the opportunity to attend a training session it has been agreed to host two final sessions specifically targeted at those who may potentially come into contact with victims. These sessions will be held on:

- 2 May 2016
- 12 May 2016

The aims of the sessions will remain as before and including:

- Explaining what Human Trafficking is and the different types that exist
- Recognising the signs/indicators of the different types of trafficking
- Understanding relevant legislation
- Know how to respond appropriately to a victim in a case of Human Trafficking should they come across one

Decision: To agree to arrange an additional two Human Trafficking Training Sessions delivered by Hope for Justice at a cost of £500 per session.
