

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST:			
For PCC approval following agreement at the funding approvals meeting held on 10 August 2016.			
Title:			
Hemlington LINX Detached Youth Work Programme.			
Executive Summary:			
Hemlington LINX Project delivers detached and centre-based services to disadvantaged, disengaged and, often, highly disaffected children and young people who live in one of the country's most deprived areas.			
Using a targeted approach to engage the hardest-to-reach and marginalised young people, the project provides a comprehensive service for 10 to 25 year olds. Once engaged, there is access to diverse additional support, structured to help young people improve their immediate and future life prospects and to increase their ability to avoid or end risky life styles.			
Hemlington LINX was successful in gaining PCC funding last financial year and would like to continue to run evening youth club sessions and targeted workshops.			
The LINX programme supports numerous PCC's priorities which include a better deal for victims, tackling reoffending, working together to make Cleveland safer and securing the future of our communities.			
Decision:			
To approve £5,999 spend from the PCC Community Safety Initiative Fund for diversionary activities and workshops for young people.
