

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST: For PCC approval.

Title: Cleveland Police Cadet Programme Funding 2021/22

Executive Summary:

The Cleveland Police Cadet Programme is open to young people aged 13 to 17 years inclusive, with separate Cadets Units in each Local Policing Area.

The Programme has several key aims:

- To promote a practical understanding of policing amongst young people.
- To encourage a spirit of adventure and good citizenship.
- To support local policing priorities through volunteering and giving young people a chance to be heard.
- To inspire young people to participate positively in their communities.

The programme aims to build bridges within communities, working to reduce the risk of crime and encouraging progression towards responsible adulthood, by providing a range of transferable skills to over one hundred young people each year.

The programme includes a number of key deliverables:

- Support for neighbourhood policing by supporting local policing events and/or local community events.
- Delivery of crime prevention advice to community members through specific cadet led projects.
- Support for young people considering a career in the police service.
- Progression of older cadets into Senior Cadet and Volunteer Instructor roles.
- Voluntary work undertaken in addition to the core cadet unit hours.

Adaptations to the programme will be necessary to ensure that current public health guidance on social distancing are adhered to. This will be reviewed throughout the year and activity altered accordingly.

Decision:

To approve up to £36,000 funding to cover the costs of running the Cleveland Police Cadet programme during 2021/22.
