

## **Cleveland Youth Advisory Group (YAG)**

The Junction Foundation is running the Youth Advisory Group (YAG) for the next three years.

Cleveland YAG works with the Police and Crime Commissioner (PCC,) his office and Cleveland Police. YAG members inform, support and shape current and future policing priorities via their monthly meetings.

YAG members are aged 14 to 18. They come from all four Cleveland boroughs as well as a range of backgrounds. In addition, members have a host of life experiences.

The Junction is currently recruiting more members. Anyone interested should contact Phil Dolphin, the Junction's Lead for Youth and Participation, at [info@thejunctionfoundation.com](mailto:info@thejunctionfoundation.com)
