

SECONDMENT OPPORTUNITY – OFFICE OF THE POLICE AND CRIME COMMISSIONER FOR CLEVELAND

An exciting opportunity has arisen for a secondment within the office of the Police and Crime Commissioner for Cleveland

Role: Cleveland Unit for the Reduction of Violence Analysis and Evaluation Manager

Role Grade: PO6

Pay Band: £43,098 - £46,674

Secondment Period – up to 31 March 2025

Violence Reduction ‘An Evidenced Based Approach’

***Please note that the JD is currently under review**

This is an exciting, challenging and high-profile role that requires excellent analytical skills, stakeholder engagement and policy skills.

The secondment is out to 31st March 2025, with a possibility of extension beyond.

The post will be based in Cleveland Police’s HQ in Hemlington, with an occasional requirement to travel across Cleveland for meetings and partner engagement, as well as occasional travel across the country to represent CURV on national conferences, seminars or workshops as appropriate.

We are keen to arrange for this role to be fulfilled by a secondee with the skills, experience and drive to make a real difference in reducing serious violence via an evidenced based approach. To that end, we are particularly keen to hear from applicants working in organisations who are identified as “Specified” or “Relevant” Authorities under the Serious Violence Duty, and private or wider not for profit sectors that operate in the field of violence reduction.

We are looking to fill the role as rapidly as possible and will be keen to work with the secondee’s employing organisation to meet all reasonable costs of secondment of the successful applicant.

Background

In Cleveland, the PCC is responsible for leading and co-ordinating the local response to serious violence. Funded by the Home Office, the Cleveland Unit for the Reduction of Violence (CURV) is responsible for delivering a ‘whole system’, public health approach to tackling violence, bringing together key partners to identify the local drivers and root-causes of serious violence and agree and implement a multi-agency response to them.

A copy of the Job Description is attached outlining the post and the main responsibilities. The strategic priorities for the post holder in 2024 – 2025 are:

- Increase the number of signatories to the Serious Violence Duty’s (SVD) Information Sharing Agreement (ISA).
- Defining and acquisition of priority data sets.

- Development of data clarification and quality standards for data sets (individual and collective).
- Test, refine and develop the partnership dashboard, for which experience and working knowledge of Power BI would be a requirement.
- Create and make accessible level 1 data sets at LA/Ward/LSOA and post-code sector level.
- Create an accessible storage location for partnership sharing of research, analysis, intervention and evaluation resources (redacted as appropriate).

The secondment would also see the successful applicant leading on:

- Co-chairing CURV's Research and Evaluation Steering Group.
- Providing Performance and Research & Evaluation inputs to group meeting
- Acting as the lead data point of contact for the Head of CURV and OPCC.
- Supporting CURV in various workstrands, including the delivery of school surveys and the development of a university research framework

For more information or should you be interested in applying for the role, please contact emma.keay2@cleveland.police.uk who will arrange for a call with the Head of CURV.

To apply for the secondment please submit an expression of interest, briefly stating why you are interested in the opportunity and why you will be suitable for the role (no more than 500 words), and attaching a CV to: opcc.jobs@cleveland.police.uk

Applications must include their availability to commence the role, an indication of the likely costs of secondment and confirmation that they have the support of their current employer or host organisation.

EXPRESSION OF INTEREST CLOSING DATE: 23:59 hours 14th July 2024

INTERVIEWS: 29th July 2024
