

THE POLICE & CRIME COMMISSIONER FOR CLEVELAND

DECISION RECORD FORM

REQUEST: For Police and Crime Commissioner (PCC) approval.

Title: Serious Violence Duty: Partnership Activity 2025 - 2026

Executive Summary:

In March 2025, the Serious Violence Duty Grant (25/26) was published, providing the necessary direction and guidance for partners to bid for funding. On behalf of the specified authorities, the PCC submitted a funding application to the Home Office to secure Serious Violence Duty Grant funding of £95,675.29.

With the grant application approved, the SV Duty Grant will continue to support CURV and specified authorities to deliver a range of activity, including:

- Supporting the management and maintenance of the Serious Violence Duty Dashboard, which partners agreed will be overseen by one of the statutory partners.
- Supporting any research and analysis associated with setting up the Young Futures Prevention Panels to help reduce violence through a greater preventative approach.
- Continued support of the delivery of interventions that support the reduction of serious violence in public spaces, thereby aligning non-labour cost funds to the delivery of the Town Centre Violence Reduction Action Plan.

These activities directly align to the PCC's Police and Crime Plan priorities:

- Reduce crime, antisocial behaviour and harm.
- Improve safety for women and girls.
- Ensure the right support for victims and vulnerable people.

A budget summary is included below:

Funding Description	Budget Allocation	Remarks
Labour Costs:	£77,041.71	Funding to support the delivery of key responsibilities in data management, data sharing, and research & analysis.
Non-Labour Costs:	£18,633.58	Delivery of initiatives to reduce violence in public spaces through the "Town Safety Violence Reduction Action Plan"

Decision: That the PCC approves the allocation of funding to the value of **£95,675.29** for the budget year 2025/2026 to deliver activity as outlined and agreed in the CURV Action Plan.
